

The Phoenix Times

AFI WAS A SUCCESS!

595 out of 600 points was the score the Phoenix Military Academy JROTC unit received for the annual inspection on March 22, 2011. The AFI is a three year interval inspection at which determines the status of the star that JROTC cadets wear on their Class A uniform. Our cadets' uniforms were definitely in order, especially in their dry cleaned class A's. The males hair were nicely cut and the female cadets wore their hair properly above their collar. Because of this and much more, Phoenix remains Honor Unit with Distinction. This means that we are able to keep our yellow star. Phoenix will have this status until the next inspection in 2014. Also the staff briefing was great which consisted of the staff explaining their duties and responsibilities in the battalion. Over all, the inspectors were very impressed by how we were a company of one!. Thank you **Phoenix!**

Juniors Motivated for ACT /PSAE

Juniors were prepped and ready for the ACT /PSAE on April 27/28. The theme of this pep rally was "Push it" for 20+ on ACT and 11+PSAE. The ACT/PSAE is an exam that determines what type of colleges and scholarships that the juniors will qualify for in their senior year. The juniors had to come two days to complete the exam. Mr. Wipachit is also offering an incentive for high scoring juniors. They will be able to receive \$25 for receiving a 20+ on ACT and \$25 for scoring a 11+ on PSAE. Good luck juniors, we hope you get the score of 20 or higher! The juniors also had one hundred percent attendance.

Important Dates To Remember for April

No School 1

Report Card Pick Up 7

Half Day 11

Spring Break 16-22

Easter 24

PSAE 27-28

Citywide Sports Challenge 30

City Science Fair

The city science fair was a success, although none of our cadets made it to state, they did win many awards. Jazmin Ocampo won an Army recognition bag and a membership to the Brookfield zoo. Johnny Villagomez and Maritza Chavez won a \$100 check due to there science fair project being in the area of engineering. Maria Rodriguez and Joshua Conner won a boat tour from the Metropolitan Water Distinct since their projects were in the area of water and ecology. We would like to thank Dr. Jaji, Mrs. Tobias, Mr. Carroll, and Mr. Mayr for their contributions.

Phoenix Cadets “Dominate” the Citywide Sports Competition

On April 30, Phoenix Military Academy won the citywide sports competition. At the citywide sports competition, Phoenix cadets did many exercises like push ups, curl ups, long jump, shuttle run, and the litter carry. Phoenix placed first, second, or third in almost every event. Congratulations to CDT Hector Felipe and CDT Carolina Turrado for getting first place in curl ups, CDT Antonio Aguilar for getting third in push ups, CDT Robinson Taylor for getting first in the shuttle run. Phoenix was the overall winner out of 43 schools. Go Phoenix Level One!!!
